

## REPORT ON INTERACTIVE EXPOSURE VISIT

Conducted by  
Department of B.Ed. : Katwa College

In reference to the notification dated 20.01.2025, issued by the Principal regarding observation of Students' week 2025, "Interactive exposure visit" was organised

by Department of B.Ed. on 28.01.2025. Like previous years six (06) higher secondary schools in Katwa Municipality was participated at the programme. School students were received responsibly from respective schools by the departmental trainees at about 10.45 AM to reach at college. Different science laboratories and central library of our college were visited by the school students, associated with their teacher & departmental representatives. Total number of participated school students

were - 30. Apart from them 12 trainees of B.Ed. department, 14 faculty members of different science departments & librarian of central library (Katwa College) were participated actively in the programme and with help of them the visit became an all-round success. The aforesaid visit has coordinated by Miss. Siuli Mandi & Mr. Suraj Sarkar, programme convenor & departmental faculty members, respectively.

A number of dignitaries including Principal were present there. They have encouraged respective students to develop their concept in education & personality, the programme has come to an end at about 02.00 PM of the same day. After having some tiffin, students have been dropped at their respective schools by departmental trainees with responsibility.
